

Executive Correspondence Routing Memo

(For electronic routing only)

Date: January 26, 2021

Description: Execute Interagency Agreement between City of Bremerton and Washington State Department of Natural Resources. The purpose of this Agreement is to establish that DNR is accepting this IAA decommissioning/mitigation project in lieu of the performance owed to it in an easement (pipe removal) where the pipes will be allowed to remain in place, to clarify mitigation measures, and to establish a timeline for mitigation for infrastructure related to Sewage Pump Station CW-4.

Fiscal Impact: The parties agree that no money will be exchanged under this Agreement.

Action Requested: Review and signature and e-mail back to Noreen Bolo. *This contract is being routed electronically only.*
