

AGENDA BILL
CITY OF BREMERTON
CITY COUNCIL

2H

SUBJECT: Accept Interagency Agreement
with the Washington State Department of
Natural Resources (DNR) for the DNR
Beach Sewer Mitigation Project

Study Session Date: February 24, 2021
COUNCIL MEETING Date: March 3, 2021
Department: Engineering
Presenter: Gunnar Fridriksson
Phone: (360) 473-5758

SUMMARY: The purpose of this Interagency Agreement is to document an agreed upon approach regarding decommissioning City sewer mains located within DNR tidelands. The sewer mains are associated with the CW4 Pump Station Upgrades project completed in 2020. The DNR is allowing the City to complete surface mitigation in lieu of full pipe removal from the beach. This agreement clarifies mitigation measures and establishes a timeline for mitigation.

ATTACHMENTS: Interagency Agreement No. 93-0994402

FISCAL IMPACTS (Include Budgeted Amount): The parties agree that no money will be exchanged under this Agreement. The costs of sewer decommissioning and the shoreline mitigation project will be paid by the City, which are estimated at \$200,000, and will be completed in Summer/Fall 2021.
